## E-mail Newsletters

News and new product information delivered right to your desktop.

## Upcoming Events

Find out when and where the conferences that are relevant to you are taking place.

The screenshot displays the medcompare.com website interface, specifically the ophthalmology section. The header includes the medcompare logo and navigation tabs for Products, New Products, News, Videos, Journal Updates, Articles, Resources, and Events. A search bar is prominently featured. The main content area is organized into several columns and sections:

- Product Directory - organized by product field:** Lists categories such as Core Ophthalmic Surgery, Cornea and Refractive Surgery, Glaucoma, Lens and Cataract, Neuro-Ophthalmology, and Oculoplastic and Orbital Procedures.
- Video: NIDEK MC-300:** A featured video section for the NIDEK MC-300 laser system, designed for treating various retinal conditions.
- Technology Spotlight: The New Generation of Microkeratomes for Corneal Refractive Surgery:** A section highlighting advancements in microkeratomes.
- Quick Pick: Optical Coherence Tomography:** A section discussing high-resolution OCT imaging for diagnosis and treatment.
- Product Showcase: BD Beaver™ Clear Cornea Incision System:** A section showcasing the BD Beaver Clear Cornea Incision System for cataract surgery.
- Vendor Center:** A section for vendors to list their products.
- Journal Updates:** A section for keeping up-to-date on the latest developments in the field.
- Upcoming Events:** A section for upcoming events, including the ARVO 2006 Annual Meeting.

On the right side, there is a sidebar with a news section titled "THE NIDEK DC-3300 DIODE LASER PHOTO-COAGULATOR" and an advertisement for the same product. The footer contains navigation links and contact information.
